There is more Catarrh in this section of the country than all other diseases put together, and until the last few years doctors pronounced it to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

HUGE SUMS

To Go For Defense—If Two Senate Bills are Approved by House—Near \$700,000,000 Is Total of Measures—Army Appropriation Is Increased By Solons.

Washington, July 27.—Nearly \$700,000,000 for national defense in the fiscal year 1917 is the aggregate of proposed appropriations reached in the Senate today with passage of the army appropriation bill, carrying in round numbers \$214,000,000.

This grand total for preparedness still is subject to revision, however, because the army bill will follow the naval bill into conference, where reductions are probable despite the firm attitude of President Wilson in supporting the liberal response of the Senate to the call for adequate defense.

Navy Is Given Most
The appropriations for preparedness as they now stand are as follows:
Army, \$312,970,447.10.
Navy, \$315,826,843.55.
Fortifications (law), \$25,748,050.
Military Academy, \$2,338,328.57.
Army and navy deficiency, \$27,559,248.05.
Total, \$685,243,017.27.

As it passed the Senate the army bill exceeded the appropriations made by the House by more than \$131,000,000. In the final hours of debate on the measure the Senate agreed to an appropriation of \$2,000,000 for relief of dependent families of national guardsmen and regular army soldiers in service in the Mexican emergency. Distribution of the fund is left to the discretion of the Secretary of War, but in no case shall any dependent family receive more than \$50 a month.

Suffrage of Soldiers Lost
An amendment, agreed to yesterday, giving soldiers on the border the right to vote in the field at the November election was eliminated from the bill on a point or order just before passage.

As soon as the army bill was out of the way the Senate took up and passed, after brief debate, the military academy appropriation bill, carrying \$2,338,328.57, an increase of \$1,019,524 over the House authorization.

In the main the Senate approved the Military Committee's increase over House appropriations in the army bill, although there were a few reductions in the committee recommendations due to improvement in the Mexican situation.

But, then, the fellow who disagrees with you is always a Mutt.

REALIZATION DAWNING UPON TEUTONS THAT WAR IS VIRTUALLY ENDED, SAYS SIR EDWARD MORRIS

Paris, July 27.—Sir Edward Morris, Premier of Newfoundland, in an interview today with a representative of the Havas News Agency, declared that the Germans were beginning to realize that the war is practically finished.

Premier Morris has just returned from the section of the Somme front where the Newfoundland detachment is stationed. Before leaving for the front he was asked by President Poincaré and Premier Briand to express to his countrymen in the trenches France's admiration and appreciation of their splendid services.

In his interview he said: "The war is virtually finished and the Germans are beginning to realize it. The Battle of Verdun, the greatest battle in history, is a victory for France."

"It is the finest of all her glorious exploits and gives a new impulse to the whole nation."

"German prisoners with whom I talked, officers wearing the Iron Cross, seem to fear that Germany has lost the game. The collapse of Germany is only a question of time. When that day arrives we must see that the victory won by our arms is not lost by diplomatic negotiations."

NO WONDER INDIANANS FIGHT WHEN VILLAGE MARSHAL MAKES ONE BULB READ HIS AND ANOTHER TO REG-ISTER 70.

Lowell, Ind., July 27.—S. H. Petrie walked out of his store in Lowell today, his face in perspiration, a look of suffering in his eyes. The thermometer in front of his store had just told him that the temperature was 118. Petrie passed his friend, Fred Schmall, a hotel keeper.

"Hot," said Petrie. "Stifling, deadly."

"Not at all," said Schmall, who had his coat on and looked happy. "Rather cool."

Schmall waved his hand toward his hotel. "It's 70 degrees," he explained.

Petrie walked over to the hotel and took a look. There was the thermometer, registering 70 degrees.

Petrie lost his temper. The two fell into an argument, which grew into a fight. A crowd collected and Marshal Duckworth came galloping down the street.

"Stop, stop," cried the Marshal. "It's all a joke." He explained then that he had been amusing himself by holding a match under Petrie's thermometer and a piece of ice under Schmall's.

CINCINNATI BAND'S TRIBUTE

Harrodsburg, Ky., July 27.—Veterans of the First Ohio Regiment during the Spanish war, who were then members of Smittle's band of Cincinnati which led the regiment, paid tribute to Abraham Lincoln here today by playing a concert of national airs before the Lincoln cabin, in which the great emancipator's parents were married. The privilege was granted at the request of Captain Reese, the band leader. Citizens joined in the demonstration.

HIS MISTAKE

(Tit-Bits)
An old gentleman of 84 having taken to the altar a young damsel of about 15, the clergyman said to him:

"The font is at the other end of the church."

"Oh, I beg your pardon," said the cleric, "I thought you had brought this child to be christened."

To keep butter on a dish cold without the use of ice there has been invented a hollow earthenware cover, which may be filled with water, which cools the air under it by evaporation.

FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With Theford's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whittaker, of this place, "with sick headache, and stomach trouble."

Ten years ago a friend told me to try Theford's Black-Draught, which I did, and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught.

Theford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

Your druggist sells and recommends Black-Draught. Price only 25c. Get a package to-day.

TO THE VOTERS

Jackson, Breathitt County, Kentucky, July 15, 1916.

To the Voters of the Ninth Congressional District:

The Republicans of Breathitt County ask the nomination of E. C. Kash, of Jackson, for Congress in the Ninth Congressional District, for the following reasons:

BECAUSE he will add great strength to the Republican ticket in November both in the counties of Breathitt and Wolfe, and will greatly reduce the Democratic majority in the county of Morgan.

BECAUSE he is well qualified and fitted for the office, is a man of approved character and integrity and a man of ability, and is well and favorably known to the people of this section.

BECAUSE he is a fine campaigner, a man of good address, popular with associates and acquaintances, a good mixer and an energetic politician and organizer.

We ask the Republicans of the Ninth Congressional District to give this nomination to Mr. Kash, and if he is nominated the voters of Breathitt County will stand with him and give him a support that could not be procured for any other candidate.

Let Breathitt County have this nomination and the party workers of this county and in this section will enter this fight and carry it to certain victory.
